

NIRAVLAKHANI

UI/UX DESIGNER

📍 Gujarat, India

✉️ niravlakhani2125@gmail.com

PROFILE INFO

UI/UX Designer focused on building intuitive, accessible digital experiences for web and mobile. Experienced across the end-to-end design process—user flows, wireframes, high-fidelity UI, interactive prototyping, and usability testing. Strong in translating business requirements into clean, consistent interfaces and collaborating with developers to ship user-ready designs.

WORK EXPERIENCE

November 2023 - PRESENT

Freelancer

Ui/Ux Designer

- Designed end-to-end UI/UX solutions for web and mobile products across healthcare, tech, and real-estate domains
- Created user flows, wireframes, and high-fidelity interfaces focused on clarity, usability, and consistency
- Delivered design solutions that improved user engagement and achieved high client satisfaction
